Ll Lion	**L l** L for Lion A Baby Lion is known as a Cub, Whelp, or Lionet.
Nn Nest	**N n** N for Nest Nest provide space for eggs and young birds to develop.

Instructions

1. Download **"ARVidhya"** App from Playstore.

2. Go to the **Try Demo** section and view these cards to see the magic

3. Hold the camera in a steady and straight position, making sure that the corners of the cards are just close enough to align them with the canvas in camera feed.

4. Allow the app a few seconds to recognize the cards.

5. The app needs an active internet connection to work, it cannot be started without internet connection.
